# COULD BE UP FOR GRABS IN THE ALLIANCE CLUB SALES RACE TO BE HOSTED IN 2016

The Alliance Clubs are made up of the Zululand Combine Clubs and the Duzi/MRPC Racing Pigeon Club who jointly aim to raise funds to reduce the cost of pigeon racing for rural based clubs. The Kokstad Racing Pigeon Club has been nominated as a beneficiary club and will enjoy a percentage of the proceeds from the 2015 Alliance Sale.

All members and guest clubs of the KZN Combine are invited to support this fundraiser which takes the form of a Squeaker Sale to be held on Sunday the 15th of November 2015 at Pinetown Racing Pigeon Club, Lahee Park, Pinetown.

## BASIC RULES:

- It is a requirement for all FLYING members of Zululand clubs, and the Duzi/MRPC club known collectively as the Alliance Clubs to place 2 squeakers on the sale.
- Non Alliance Club members are welcome to pen up to two birds on the auction. Non Alliance Club members may also purchase birds without placing a bird on the sale.
- If 2 squeakers are placed on the sale you will be entitled to purchase 2 sale rings for R 500 for the two, cash only on the day. These rings are non transferable. Birds purchased on the auction may be placed in another members loft if that member flies in the combine and a prior arrangement and agreement has been made between the purchaser and the member who will be flying the purchased bird. Prize money will be paid to the purchaser of the pigeon, irrespective of from whose loft it is raced.
- The age of the birds: Birds may not be younger than 28 days old; if a bird is found to be younger than 28 days old it will be removed from the auction. The bird cannot be old enough that it has dropped a flight; if a flight has been dropped the bird will be removed from the auction.
- Nominations: Nominations will not be given to each bird purchased but will apply to the R 500 rings only. A nomination will only be given if the bird wearing one of the R 500 rings cannot partake in the final sale race. For example, if you purchase two R500 sale rings and lose one or both of these birds you will be entitled to replace them and race in the nomination race for the nomination prize money. Your race sheet under nominations must provide the number of sale bird for which a nomination is being flown e.g. 'AN' (RING NUMBER OF LOST BIRD). If this is not provided the nomination pigeon will be disqualified. We need to be able to prove that the sale ring bird didn't take part in the sale race. Sales birds need to be marked as 'AS' on the race sheet. A nomination bird can only be entered into the nomination race if a R500 ring bird was lost. Birds rung with the R500-00 rings will be entitled to participate in the main two legs of the competition as well for the grand prize. An Alliance Sale bird or a bird wearing the R500 rings will be entitled to be nominated as a nomination bird in the final race.
- The sales races will take part over two races with the first leg from Petrusburg and the second leg from Marble Hall. The Nomination race will also be on the Marble Hall race. The GCA Committee reserves the right to change race points and dates should it deem necessary. The 1<sup>st</sup> and 2<sup>nd</sup> legs of the sale bird races will be hotspots where prize money will be paid to the sale bird winner of each hotspot. All sale birds that are clocked will receive points. The amount of positions will be determined by the quantity of sale birds entered into the first race and will remain the same for the two races. The race will close on the day or adjusted by the Alliance Club Committee in required situations. If the complete race is a over night, the race will stay open until declared closed by the SANPO rules. If 100 sale birds are raced in the first leg the winning bird will accrue 100 points the second bird 99 and the last bird one point. Points are carried over to the next leg on the same basis. Should a sale bird not being clocked and not score it can still race in the next race but it will carry nil points from the previous race. The sale bird that accumulates the most points over the three races will be adjudged the winner and receive 1<sup>st</sup> prize of R 40,000 . The individual winner of the two races will receive the hot spot prize of R5 000-00 per race. The nomination prize will pay R 10 000-00 for first place on the selected race. A total of R 10,000 on the two hotspots will be paid out. Prize money will be split 80/20 to the Trainer and Breeder. If you are the trainer and breeder you take the whole amount for the respective position. Nominated birds will not compete for the hot spot prize. In 2016 the Nomination race will take place over the last leg flown in the series.
- The Alliance Club Committee reserves the right to adjust prize money should the revenue collected not meet expected targets.
- **The prize money is calculated on budgeted targets reached.**
- All birds clocked must be reported within one hour of clocking and the time may not be out by more than 5min. Further details will be given prior to the start of the races.
- Members flying a North scheme only will be accommodated to fly their sale birds in the specific West Race.
- All KZNRPC and SANPO rules will apply.
